This view is taken in McKee Jungle Gardens, located halfway down the Florida East Coast, 3 miles south of the city of Vero Beach. Here you will find the largest variety of water lilies in the U. S., deep blue and fairy pink, golden and white and blood-red beauties that bloom night and day the whole year 'round. Here are rare plants, shrubs and trees, robust towering palms, brightly blooming shrubs, a dense palm and oak forest, overhanging live oak trees filled with orchids and air plants.
